Inspiring

The purpose and mission of Simple Gifts Corporation is to be a bridge for children in the area of music by providing them the opportunity to learn to read music, play an instrument, and perform with the instrument. Our goal is to inspire children to shape their own positive futures through music education and appreciation.

The SCG Corporation is formed solely for charitable and educational purposes within the meaning of Section 501(c)(3) of the Internal Revenue Code.

We are stepping to the beat. We hope to save parents some time. Our Mobile Music program can cater to your students.

Experienced College Age Instructors

We will come to your facility and teach music instructions on different instruments. We can set up group sessions (workshop) or individual weekly lessons with an ending recital.
